

FREIGHT DELIVERY: TARGET DATE

May 12-19, 2020 | McCormick Place | Chicago, IL USA

National Restaurant Association Show's Official Contractor, Global Experience Specialist (GES) receives and delivers freight at McCormick Place over a four (4) day period.

In order for GES to efficiently deliver freight to exhibitor booths they use a target date check-in schedule.

A target date is assigned to each booth, by booth number, and determines when freight delivery vehicles must check into the Marshalling Yard of McCormick Place (3050 South Moe Drive). Check in is between 6:00am and 12:00 noon on move-in days. Once checked in, GES dispatches each vehicle to the appropriate loading dock to begin receiving freight for delivery to the Show floor. Trucks checking in after 12:00 noon will be assessed an overtime surcharge.

Example: You've been assigned to booth "345," which lies between "310 – 378" on the **Freight Delivery: Target Date Check-In Schedule**. Thus, your vehicle must check in to the Marshalling Yard before 12:00 noon on Wednesday, May 13, 2020.

IMPORTANT NOTES ON TARGET DATES:

- Target dates are only considered freight unloading days. Freight unloading may take from one (1) to eight (8) hours. We suggest you schedule installation labor for 8:00am (or later) the day following your assigned target check-in date.
- Drivers must check-in by 12:00 noon on the assigned target date for the booth. Those who check in after 12:00 noon are not guaranteed unloading until after 4:30pm and will be subjected to overtime charges.
- If your materials arrive off-target, GES will assess a surcharge.
- If you have a Friday target date, please allow ample time for your freight to be unloaded before scheduling installation labor.

Target dates do not apply to the delivery of food product going into refrigerated and freezer storage.

It is imperative you adhere to the **Freight Delivery: Target Date Check-In Schedule** shown on the following pages. If you are unable to follow this schedule and your material necessitates a direct shipment to McCormick Place during move-in, please contact GES at **(800) 801-7648**.

FREIGHT DELIVERY: TARGET DATE CHECK-IN SCHEDULE (CONTINUED)

TARGET DATES ARE ONLY CONSIDERED FREIGHT UNLOADING DAYS. Freight unloading may take from one (1) to eight (8) hours. We suggest scheduling installation labor for 8:00am (or later) the day following your assigned target check-in date. If you have a Friday target date, please allow ample time for your freight to be unloaded before scheduling installation labor. Target dates do not apply to refrigerated or frozen product deliveries.
