## **Red Plate Foods Announces Free From Top 9 Allergen, GF, Vegan, Baked Products for the Food Service Channel**

### **Red Plate Foods to Exhibit at The National Restaurant Association Show, May 20-23, 2023**

**Bend, Oregon, USA** May 8, 2023 – Red Plate Foods, a dedicated free from allergen bakery, will showcase its great tasting, certified free from top 9 allergen, gluten free and vegan baked goods at The National Restaurant Association Show. As an exhibitor at the Show, an event bringing together more than 51,000 foodservice professionals from 112 different countries and representing over 900 product categories, Red Plate Foods will be able to connect with the industry and share leading-edge trends, solutions and knowledge for the year ahead in Chicago, Illinois.

Red Plate Foods will be showcasing its food service focus products which are a perfect solution for operators across segments to meet the demand of the ever-changing consumer marketplace. As special diet needs and preferences are continually and steeply on the rise, Red Plate Foods is focused on helping food service operators provide safe, great tasting options while minimizing risk and labor. Products are available in food service pack sizes in both bulk and individually wrapped formats to accommodate dining, catering and retail applications.

“The Show is the perfect opportunity to reach new buyers, build stronger relationships and strengthen our brand, which is why we’re showcasing Red Plate Food’s certified free from top 9 allergen, gluten free and vegan products” said Tim Steiner, Director of Food Service of Red Plate Foods. “We’re thrilled to be able to share our products with thousands of foodservice professionals from around the globe and look forward to connecting with new and existing customers at the must-attend event for the industry.”

“We’re pleased to welcome Red Plate Foods as exhibitor at the 2023 Show,” said Tom Cindric, President of Winsight Exhibitions. “The annual event showcases the latest in foodservice innovation and continues to inspire menus, revitalize beverage programs, initiate equipment investments and pioneer groundbreaking technology. We’re thrilled to bring together start-ups, niche brands and the biggest names in the industry to help foodservice professionals solve for today’s biggest challenges including workforce shortages, labor costs and overall operational efficiency.”

As the global restaurant and hospitality industry’s premier trade show, the National Restaurant Association Show is the place to explore everything that’s happening in the hospitality industry, from the latest food and beverage trends to emerging technology. It’s all here! For more information, visit [nationalrestaurantshow.com](https://nationalrestaurantshow.com).

### **About Red Plate Foods**

Red Plate Foods makes baked goods that are vegan and free from the top 9 food allergens (gluten/wheat, dairy, peanut, tree nut, soy, sesame, egg, fish, and shellfish) in a dedicated facility located in Bend, Oregon. Red Plate Foods is a Certified Women’s Business Enterprise, is family founded and gives back to the community through a variety of non-profits. Red Plate seeks to spread inclusivity and joy through the enjoyment of food. Products can be found in the fresh bakery departments of retail grocers and are offered at a wide variety of food service operators nationally.

The National Restaurant Association Show, Hotel-Motel Show is owned and operated by Winsight LLC in partnership with the National Restaurant Association.
