SQ GROUP TO SHOWCASE ECOFRIENDLY CELLULOSE PRODUCTS

SQ GROUP to Exhibit at
The National Restaurant Association Show,
May 20-23, 2023

Los Angeles, CA, United States. 05/12/23 - SQ Group, a competitive manufacturer of biodegradable food industry supplies will showcase its eco-conscious cellulose products at The National Restaurant Association Show. As an exhibitor at the Show, an event bringing together more than 51,000 foodservice professionals from 112 different countries and representing over 900 product categories, SQ Group will be able to connect with the industry and share leading-edge trends, solutions, and knowledge for the year ahead in Chicago, Illinois.

SQ Group's Cellulose Products are industry certified products that have been developed to meet the demands of food industry professionals wishing to embrace a more environmentally friendly approach. Among the products to be showcased are:

- **Degradable Molded Pulp**
PFAS Free, compostable, and customizable storage containers and plates
- **Toilet Tissues**
Flushable, degradable rolls with a variety of options of layers and width

"I'm thrilled to showcase SQ Group's exciting and eco-friendly products at The National Restaurant Association Show," said Daniel Chen, VP at SQ USA. "The Show will allow us to showcase and share our products with new and existing customers, which will allow us to expand our client base and strengthen our environmentally driven brand."

As the global restaurant and hospitality industry's premier trade show, the National Restaurant Association Show is the place to explore everything that's happening in

the hospitality industry, from the latest food and beverage trends to emerging technology. For more information, visit nationalrestaurantshow.com.
