Velocity Merchant Services - BOOTH 5531 Launching Intuitive Self Ordering Kiosk for Restaurants

Clover Kiosk Velocity Merchant Services to exhibit at the National Restaurant Association Show, May 20-23, 2023

Downers Grove, Illinois, United States May 11th, 2023 – Velocity Merchant Services, the restaurant point-of-sale solution, will showcase its innovative point-of-sale devices including the Clover Kiosk at the National Restaurant Association Show. As an exhibitor at the show, VMS will be able to connect with the industry and share cutting-edge trends, solutions, and knowledge for the year ahead.

Our Presentation

VMS is showcasing its contribution to the self-service industry with the Clover Kiosk. Our Clover Kiosk gives small businesses the opportunity to compete with large chains at an affordable price. At Velocity Merchant Services, we strive to create a customized solution for your small business. Other benefits offered to restaurants include secure credit card processing with state-of-the-art point-of-sale devices, flexible pay-at-the-table options, traditional payment methods, happy hour specials and loyalty programs, online ordering, and easy integration with all major food delivery apps such as: *DoorDash™ / UberEats™ / Grubhub™*

We will be located at booth 5531. Throughout the show, VMS will be having demonstrations highlighting all the capabilities of our modernized point-of-sale devices.

In addition, VMS will give the opportunity for restaurant owners to win a free Clover Kiosk of their own. 😊

About Us

getvms.com

Our team is dedicated to providing businesses nationwide with superior payment solutions in an efficient and professional manner. We do this by motivating employees who share in our organizations success by enabling our growth and building life long relationships one merchant at a time.

25 + years ago, Dema Barakat started the firm from the basement of her parent's home because of her love and interest in people. By adhering to the principles of great customer service and treating other peoples businesses as she would her own, it has continued to grow into a firm of over 50.

Specializing in small and mid-sized businesses and adapting to the ever-changing demands of that market, Velocity Merchant Services processes for clients nationwide as designing websites and offering working capital programs. We believe in small business and back it with the actions to support that belief.

"We're pleased to welcome VMS as exhibitor at the 2023 Show," said Tom Cindric, President of Winsight Exhibitions. "The annual event showcases the latest in foodservice innovation and continues to inspire menus, revitalize beverage programs, initiate equipment investments and pioneer groundbreaking technology. We're thrilled to bring together start-ups, niche brands and the biggest names in the industry to help foodservice professionals solve for today's biggest challenges including workforce shortages, labor costs and overall operational efficiency."

As the global restaurant and hospitality industry's premier trade show, the National Restaurant Association Show is the place to explore everything that's happening in the hospitality industry, from the latest food and beverage trends to emerging technology.
