The Show provides speakers the opportunity to demonstrate their expertise, knowledge and thought leadership, as well as to network with industry professionals for business development purposes.

3. Submitters will be notified of the status of their submission by November 1, 2023.

Frequently Asked Questions

1. Who can submit a proposal?
Foodservice and hospitality operators that have direct experience in the proposed topic area, or subject matter experts from foodservice and hospitality service or membership organizations, educational institutions, or media and insights firms.

We do not accept proposals from suppliers or any employee or representative of a supplier through the Call for Proposals. In order to participate in the Show’s education program, suppliers must exhibit at the 2024 Show and sponsor the session. Please contact nraexhibitinfo@winsightmedia.com for more information about exhibiting and sponsorship opportunities.

2. When is the deadline to submit session proposals?
Session proposals are due by 11:59 pm CST September 29, 2023. Late submissions will not be considered.

3. When will I hear if my session proposal was accepted for presentation?
Submitters will be notified by November 1, 2023.

4. How do I submit a session proposal?
Review the Proposal Submission Process section of this document for more information. You can also visit https://www.nationalrestaurantshow.com/call-proposals to access the Call for Proposals submission form.

5. Can I make changes after the session proposal submission deadline?
You cannot make changes to your proposal after it is submitted. If the proposal is accepted, you will then be allowed to make very minor changes and/or changes as recommended by the Show Programming Team.

6. Does submitting a session proposal guarantee acceptance?
It does not. Session proposals are reviewed based on the quality factors outlined in these guidelines. Any submissions that do not meet the quality factors will not be selected.

In some cases, session proposals that satisfactorily meet these requirements will not be selected due to limited program space and the high quality of competing session proposals.

7. If submitting a session proposal does not guarantee acceptance, how do I handle asking other potential speakers I want to have present (if I'm not the speaker)?
When organizing a submission proposal, it is important to contact potential speakers, discuss your ideas, assess interest and note the possibility that it may be selected as a session. It is common practice of professional, business trade, and association events to not guarantee acceptance prior to the proposal’s review. It is also industry standard to collect pertinent information (e.g., proposed speaker names, topics, descriptions) to make an informed decision during the review process.

8. What if I am having technical difficulties submitting my session proposal?
Contact the Show Programming Team by email at programming@winsightmedia.com. While waiting for a response make sure to use our ‘Pick Up Where You Left Off’ feature to send yourself a link to the proposal to be edited and submitted at a later date.

9. It’s after November 1st and I haven’t heard anything about my proposal. What do I do?
Status notifications are sent through our online application platform and notification emails will be sent from service@mapyourshow.com. Please check your junk and spam mail for a message from service@mapyourshow.com. If you still don’t see anything, please reach out to programming@winsightmedia.com.

10. What makes a good proposal?
• A complete proposal! This includes session title, description, learning objectives, supporting materials, and all speaker information. We will not consider incomplete submissions.
• Proposals should be specific, well-titled, and illustrative of the impact of the content to be presented. The more specific a proposal, the better.
• Your title is going to be fighting for attention with dozens of other titles, so be creative but make sure it is also direct and explanatory.
• Speakers are just as important as the content! It is critical you include all speaker details in your proposal (speaker name, title, company, contact information, headshot and biography), as the proposed speaker(s) heavily impact scoring. Make sure to confirm with the speaker(s) their availability to present during the 2024 Show prior to submitting the proposal.
• Identify ways to engage your audience to maximize the impact of your proposed session (i.e., case studies, scenario-based exercises, discussions, group work, etc.).
• Proof your work!
• Meet the final deadline: Friday, September 29, 2023, at 11:59pm CST.
